

Our Impact

Finances are the #1 cause of stress for Americans. COVID and the great resignation have heightened the concerns. We're helping employers make a direct impact.

“I have become much calmer and my stress level related to finances have lowered a noticeable amount. My relationships have also improved since I am not worried about finances and going out, having fun, and spending time with friends and loved ones.”

Employee after employee share how SmartPath changed their life...

“The more I understand the best financial path for me, the better prepared I become. With this increased awareness and understanding, I find that I am more relaxed and confident in my future. These courses have proved to be a valuable tool in relieving stress and anxiety. Thanks for sharing your knowledge!”

“Since the change, my stress has greatly decreased and I have a more positive outlook for retirement. I am a happier person and feel like I can accomplish anything!”

“I was able to focus more on my spending habits and less on worrying about my debt. This is was probably the biggest burden in my life, and it's nice knowing I don't have to worry about it anymore.”

“I feel much more in control. The newfound knowledge forces me to make important life decisions that I've put off for a long time. I now make caring for myself a priority.”
