### **ORGANIZATIONS RELY ON PERSPECTIVES TO SUCCEED WHERE OTHER VENDORS FAIL:**

- **Network:** A broad network of proven and vetted providers that allow for scheduling appointments in days, not weeks or months.
- **Accessibility:** Immediately access services and resources anywhere, anytime by phone, text, chat, email, website or mobile app with a Masters Level Counselor, not a call center.
- **Direct Broker and Employer Relationship:** When you need assistance you and your clients will have access to a Dedicated Account Manager who understands your needs.
