

Your Employee Engagement App

Motion Connected's technology brings benefits resources, communication & wellbeing together to build a happier, healthier, more engaged workforce.

Empowering *Better*:

Benefit Utilization

Give 24/7 access & education to the benefits & resources employees need.

Lifestyle Habits

Promote all aspects of healthy living and encourage better habits.

Workplace Connection

Provide important updates and cultural initiatives to tie employees tighter.

Making the complex-simple

Build a clear path forward in the experiences your employees navigate each day

Whether employees need to access telemedicine, want to register for your employee appreciation night, or are looking to add more activity into their day - they're covered with Motion Connected.

We make it easy for employees to:

- Connect daily with your company
- Get 24/7 access to benefits & resources they need
- Feel confident as they navigate their benefits
- Build healthier lifestyle habits

User-friendly navigation

Our app navigation makes it easy for even your non-tech employees to use & enjoy.

Secure interface

Our system follows strict privacy HIPAA guidelines & exceeds industry data protection standards.

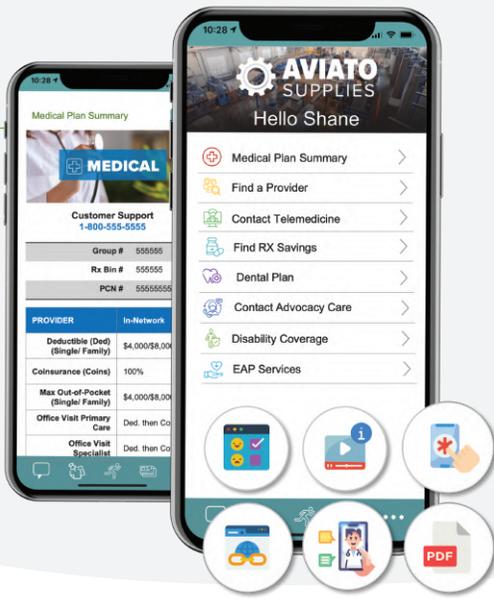

Comprehensive design

Say goodbye to scattered solutions and unite your employees around a central suite of software.

Our Team & Technology Automatically Delivers:

Promote what is important to YOU & your culture

Dynamic Resource Hubs

Connects employees to benefits and resources beyond the open enrollment meeting. We get your benefits OUT of paper booklets and into a digital space to drive employees to affordable care options for better financial health.

Unlimited connections:

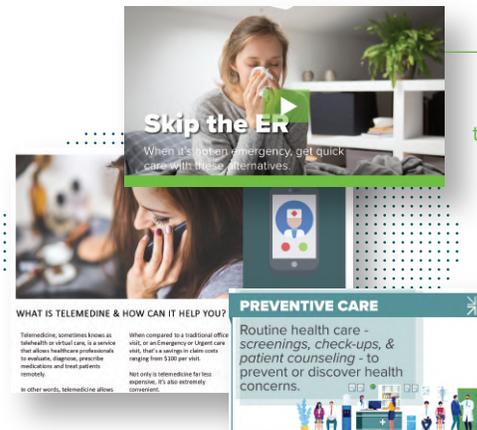

- Any vendor
- Documents/PDFs
- Online web/resources
- Survey providers
- Videos

Robust Employee Education

Benefits & wellbeing content is written and delivered by our team of experts year round to promote the 'why' behind better benefit consumption and healthier living.

Popular topics include:

- Preventative care
- Pharmacy spend
- Mental health resources
- Exercise & nutrition tips

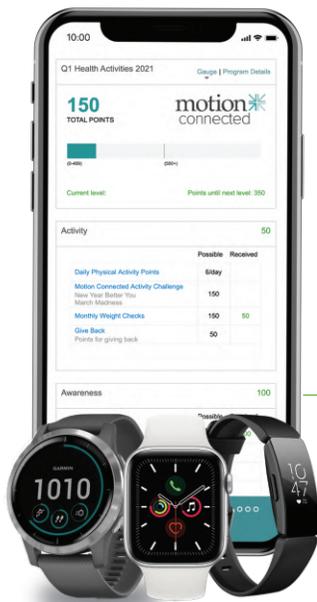

Create better consumers of the health plan

Whole-Health Wellbeing

We provide robust turnkey wellbeing programs featuring step challenges, and points-based scorecard to reward for healthy behaviors.

Remind employees why health matters & inspires healthier choices

Smart Company Messaging

Use the messaging capabilities to communicate with employees and their spouses directly through messages and push notifications. You can highlight your company updates, policy changes, or other cultural initiatives - the possibilities are endless.

All at One Affordable Rate

Starting at: \$3,000/annual

FOR 50 eligible + one time build fee of \$1,500 - Pricing based on per eligible employees.
